

The composition for the application to

ENKEI Foundation Scholarship system

Title : "Ideal person of society and the goal after graduation"

University's name		Name	
C O M P O S I T I O N	<p>ENKEI Group was established in Hamamatsu city in October 1950.</p> <p>Since then we have kept on growing by the understanding and Cooperation of the people who live in Shizuoka Prefecture. Recently because of both economical and cultural globalization the interdependent relationship between nations is stronger. The necessity for our company and other countries to carry out exchange has become stronger than before. In these situations we decided to establish the "ENKEI Foundation" to follow cultural and educational exchange in Shizuoka Prefecture. We would especially like to follow international students from ASEAN countries, India, Sri Lanka, Nepal and Bangladesh. This is our gratitude. Our objective is to expand business allowing us to conduct scholarship support and international exchange education for students in Shizuoka Prefecture. And to foreign students to universities in Shizuoka Prefecture in order to increase the level of education for both Shizuoka Prefecture and foreign countries as well as cultivate human resources with a global perspective. Of Japanese students and foreign students attending colleges, junior colleges, graduate schools, and vocational schools in Shizuoka Prefecture, provide scholarship support to students who are bright and academically gifted yet for whom education is difficult due to economic challenges with a goal of contributing to the cultivation of human resources with a global perspective. During FY2013, conduct preparations for scholarship activities to take place in FY2014 and beyond. Set scholarship fund amount for a year to 7,200,000 yen, with selection committee to select a total of 30 students and scholarship recipients. Scholarships to be provided upon selection. Approx.30 university, graduate school, junior college, and vocational school students. (Monthly amount: 20,000 yen)</p>
